David Long, Chairman
Coalition of Hangar Tenants
Hangar Lease Revision Committee
1259 Larch Avenue
Moraga, CA 94556

Dear Mr. Long:

We received a copy of the letter sent to you, dated July 18, 2003, from Mr. John Pfeifer of the Aircraft Owner and Pilots Association. We regret that he is unable to serve as facilitator to assist us with the issues involving the Aircraft Hangar Rental Agreement.

However, during our May 5, 2003 meeting, County Staff and the Coalition had discussed the possibility of considering Jay White with the California Pilots Association, Gary Peterson former Airports Manager for San Carlos Airport and Jerry Bennett former Director of Airports for Santa Clara County as potential facilitators. Additionally, Mr. Pfeifer recommended both Mr. Walter Gillfillan, of Walter E. Gillfillan and Associates in Kensington or Ms. Sue Dyer with ORGMETRICS in Livermore.

We would like to continue to move forward towards resolving the issues with the current hangar rental agreement, and ask that the Coalition select one of the above facilitators or present another for our consideration within the next several weeks. I believe that we all would like to bring resolution to these issues.

Please contact me at (925) 646-5722, at your earliest convenience.

Sincerely,

Keith Freitas
Acting Director of Airports
